5/31 (Wed) 10am -12:30pm

Panel Session

Global Gathering: Building Capacity in IR and Decision Support

Karen Webber, University of Georgia

William Knight, Ball University

Ching-Hui Lin, National Sun Yat-sen University (中山大學林靜慧老師)

Charles Mathies, University of Jyväskylä

Sandi Bramblett, George Tech

Jan Botha, Stellenbosch University

Program Book Abstract: *As we move forward to the future, leaders of the IR profession must proactively design strategies for continued development of its professionals to further build capacity in IR globally. This panel session will discuss key issues that can assist in strengthening the IR profession across the world, so that it remains vital and valued in higher education.*
